

Navigating the WSSA Title and Abstract Submission System

The Aquatic Plant Management Society uses the Weed Science Society of America (WSSA) Title and Abstract Submission System, available at: <http://wssaabstracts.com/user/home.php?m=login>

Logging in to the WSSA System

If you have used the WSSA system before, enter your e-mail address and password to sign on to the system. If you cannot remember your password, there is a link on the right-hand side to reset the password.

If you do not have an account with the WSSA Abstract Submission System, you can create a new account with a link on the right-hand side of the webpage. Click on the "Setup New Account" link and add your e-mail address (as the login), your name and affiliation, and contact phone number.

After logging in, click "Join a Conference" to access the 2019 Aquatic Plant Management Society meeting. Click "Enter" then "My Titles and Abstracts". Follow instructions to enter a title and abstract.

Entering a Title and Abstract

To enter a title and abstract, click on the link on the left-hand side of the 2019 Aquatic Plant Management Society conference webpage, "My Titles and Abstracts." Then click on "Add New Title / Abstract." Type in the title capitalizing key words (e.g., Response of Eurasian and Hybrid Watermilfoil to Five Auxin-mimic Herbicides). Please do not submit your title in bold typeface or all caps. Just capitalize the major words in the title.

Student Competition Presenters

Indicate whether or not you are a student and if you are planning on being judged in the poster or oral presentation contest.

Program Information Format

Be sure to add the full names and contact information of all authors. Please be sure to enter all authors in the correct order, the author's university or business entity, department, home city and state as you want these to appear in the program. A short biography of 100-250 words is also requested to facilitate securing continuing education credits for the conference program. Type the text of your abstract into the abstract box. It is probably easiest to type this in a word processor file and copy and paste the abstract text into the abstract text box.

Please limit your abstract to 300 words

Title and Abstract Submittal & Deadlines

Abstracts must be submitted on the WSSA abstract system. Do not e-mail these to the Program Chair and expect to be included in the program.

The deadline for title and abstract submittal is April 15, 2019. Please do not wait until the last minute. Abstracts will be accepted for oral presentations on a first come, first served basis. Poster presentations will also be accepted on a first come, first served basis.

PowerPoint presentations for accepted oral presentations should be uploaded to the WSSA Abstract Submission site no later than July 8, 2019. If not uploaded by this date, it will be the responsibility of the presenter to provide their final presentation on-site to Meeting Planner Bill Torres sufficiently in advance of the presentation.
