

Call for Papers – Aquatic Plant Management Society

Present Your Original Research

You are invited to submit a title and abstract for the 61st Annual Meeting of the Aquatic Plant Management Society. Oral presentations are solicited for original research on the biology or ecology of aquatic and wetland plants, control methods (biological, chemical, cultural, mechanical) for invasive, exotic or nuisance plant or algal species, and restoration projects involving wetland or aquatic plants and algae. Presentation of original research will be given preference, and should be indicated by including results in the abstract. This year's meeting is in the region of the MidSouth Aquatic Plant Management Society, so regional presenters are strongly encouraged to submit an abstract.

Hybrid In-Person and Virtual Format

Participants and attendees for this year's conference can attend in-person or virtually. APMS will hold an in-person conference at the Riverside Hilton in New Orleans, Louisiana, from July 12-14, 2021. In addition, APMS will hold a virtual conference July 27-29, 2021.

All in-person talks will be recorded and either played during the subsequent virtual conference, or made available on demand. All presentations for the virtual conference will be pre-recorded, and additional instructions for those will be forthcoming. All talks at the in-person conference will be live; we will not play pre-recorded presentations at the in-person conference.

Acceptance of contributed papers or posters will occur after the abstract deadline, and will be confirmed by a separate e-mail. Additional details on presentation format will be provided at that time.

Students

The society will provide complimentary registration to presenting students (in person or virtual). We plan to hold a graduate student session for the virtual conference, and any graduate student presentations given in-person will be recorded and included in the virtual session. Students that choose to attend in-person will be responsible for covering their travel and hotel accommodations. Students may contact the Program Chair (Dr. Ryan Thum; ryan.thum@montana.edu) or the Student Affairs Committee Chair (Samantha Sardes; sam.sardes@solitudelake.com) with any questions.

Poster Presentations

The in-person conference will not have our traditional poster reception. However, we will offer a poster presentation format virtually. Details about virtual poster formatting will be forthcoming.
